

## **BYLAWS AND POLICIES**

### **TROOP 2193**

#### **COWETA DISTRICT, FLINT RIVER COUNCIL**

#### **BOY SCOUTS OF AMERICA**

##### **1. PURPOSE**

A. The purpose of Boy Scout Troop 2193 is to foster the highest standards of integrity, character, and spirituality for young men in the Christian community, facilitated through outdoor skills development as established by the National Council of the Boy Scouts of America.

B. Troop 2193 recognizes and supports the BSA Declaration of Religious Principle (from BSA Article IX Policies and Definitions- Charter and Bylaws, Section 1, Clause 1.)

“The Boy Scouts of America maintains that no member can grow into the best kind of citizen without recognizing an obligation to God. In the first part of the Scout Oath or Promise the member declares, “On my honor I will do my best to do my duty to God and my country and to obey the Scout Law.” The recognition of God as the ruling and leading power in the universe and the grateful acknowledgment of His favors and blessings are necessary to the best type of citizenship and are wholesome precepts in the education of the growing members. No matter what the religious faith of the members may be, this fundamental need of good citizenship should be kept before them. The Boy Scouts of America, therefore, recognizes the religious element in the training of the member, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the home and the organization or group with which the member is connected shall give definite attention to religious life.”

##### **2. TROOP MEMBERSHIP**

Membership shall be open to all qualified boys who meet current National Boy Scouts of America membership requirements and agree to adhere to the principles set forth by that organization.

The Troop Committee once the registered youth scout head count becomes >48 members the charter organization may set a limit on the maximum number of boys allowed to enter the troop. This decision is based on that the number of boys is so large that it is reducing the quality of the program. This decision may be done with a majority vote of the troop committee. Acceptance of younger brothers of existing youth scouts and Cub Scout members of our charter partner Pack 2293 will override this head count if needed.

### 3. CHARTERED ORGANIZATION

Boy Scout Troop 2193 is sponsored by Cokes Chapel United Methodist Church, hereafter described as the chartered organization. A member of the chartered organization who has been approved by the board of Coke's Chapel United Methodist Church shall serve as the Chartered Organization Representative. As the Troop Committee works on behalf of the chartered organization, the troop will be operated within the chartered organization's policies.

### 4. TROOP COMMITTEE

**Schedule "A" of this document sets forth meeting times of Troop and Troop Committee.**

A Troop Committee shall be established by the troop for the administration of troop business. A Troop 2193 Committee Member is defined by registration as such with the Flint River Council of the BSA. An adult leader registered under another official title (i.e., scoutmaster, assistant scoutmaster) may also hold office as a Committee Member, at the Committee Chair's discretion. A quorum must be present for a vote of the Troop Committee. A quorum will exist when at least 50% of the registered voting members are present. Unless otherwise specified herein, all votes will be decided by a majority which will consist of over half of the quorum. The Committee Chair will vote only in the case of a tie. The Troop Committee shall consist of the following positions; Dual positional responsibility is permitted; however, each member will only have one vote.

Committee Chair	Charter Representative
Secretary	Treasurer
Activities Chair	Advancement Chair
Scoutmaster	Membership Chair
Equipment Chair	Training Chair

#### 4. TROOP COMMITTEE at large Non-Voting members

Additional positions may include, but are not limited to:

Fundraiser Coordinator	Troop Chaplin
Order of the Arrow Coordinator	Pack Liaison

4. TROOP COMMITTEE at large Non-Voting members (continued)

All parents are welcome to attend Troop Committee meetings and voice their opinion. Adequate notice (for meeting planning purposes) should be given to the Committee Chair if a parent or committee member wishes to put a discussion topic on the agenda.

**5. PARENTAL COMMITMENT**

For the purposes on these bylaws, the terms “parent” and “son” are synonymous with “guardian” and “ward”, respectively. The scout troop cannot function without parental involvement. Each parent is asked to volunteer to assist in the various scouting activities scheduled during the year. In order to promote a quality troop and to spread the adult leadership workload, parents are asked to do one or more of the following each year:

- a) Be campmaster or hike master for one outdoor activity and assist in another.
- b) Serve on the Troop Committee.
- c) Be a patrol shadow.
- d) Be a merit badge counselor and conduct a class.
- e) Plan and lead (or assist in planning and leading) an organized troop activity.
- f) Plan and lead a fundraising event for the troop through the charter organization.

Lack of active participation by parents may result in the Key-3 to review regarding continued membership in the troop.

**6. UNIFORMS**

**Schedule “B” of this document sets forth specific uniform and equipment requirements for Troop 2193.**

The Boy Scouts of America has always been a uniformed body. We wear the uniform because it is a means of identifying ourselves openly with the principles to which we are committed- character development, citizenship training, and physical and mental fitness. It is the goal of Troop 2193 to have 100% of the membership outfitted in complete uniforms. It is the policy of the Troop and of the Chartered Organization to provide uniform scholarships to scouts when requested due to financial issues. A confidential request to a Committee Member or Scoutmaster outlining the specific needs of the scout is all that is necessary to obtain uniform assistance.

## **6. UNIFORMS (Continued)**

Troop 2193 has also established a Class B Uniform for informal wear.

Scout Field Uniform (Class A) is required attire for the following events unless directed otherwise by the Scoutmaster: Troop meeting, Boards of Review, Troop Court of Honor, District or Council Events, District Camporees, summer camp, Parades, All Troop attendance at Public Events, Scouting for Food, and any Boy Scout Events where dress attire is appropriate.

A Class A, Class B or Class C uniform will be required for various troop functions, including: Regular Troop Meetings, Campouts, Patrol meetings, Hikes, or Backpacking Trips. The Scoutmaster or Organizer of a specific function will specify the appropriate uniform.

Scoutmasters and Assistant Scoutmaster are expected to set an example for the other Scouts by wearing proper Scout attire.

## **7. MERIT BADGES AND COUNSELORS**

Merit Badge Counselors are available to coach, counsel, and evaluate the scouts in their pursuit of merit badges. Coweta District maintains a list of counselors who work with all units. Troop 2193 maintains a list of counselors affiliated with only Troop 2193.

Parents are encouraged to sign up as merit badge counselors in areas for which they possess skills or knowledge. Sign-up requires registration with BSA, maintain Youth Protection Training Certification and completion of the merit badge application form and are encouraged to complete BSA merit badge counselor training.

Scouts working with merit badge counselors will do so using the buddy system.

## **8. FUNDING**

**Schedule “C” of this document sets forth specific dues requirements and expense reimbursement policies.**

Fiscal Year for Troop 2193 shall be from February 1 to January 31, of the following year.

Each Boy Scout shall pay monthly membership dues as set by the Troop Committee.

Each Boy Scout is responsible for paying their annual BSA registration fee by November 30 before the annual re-charter.

## **8. FUNDING (Continued)**

Troop 2193 will pay registration and insurance fees for registered adult leaders.

Troop 2193 will provide uniform scholarships to scouts as decided by the Troop Committee.

Boy Scout Patrols may collect additional dues to support patrol activities.

Additional funds may be generated through donations or fund-raising activities.

All fund-raising activities must be pre-approved by the Troop Committee.

The annual selling of Scout Popcorn or Scout Camp Cards will be organized by the Troop Fundraising Coordinator. Costs of the popcorn / camp cards are the responsibility of the Scout's parents. All profits achieved by the Scout, at the end of these two fundraising programs, will go to the Scout, into their scout account; to cover his future Scout related expenses and fees.

The troop participates in fundraisers through the charter organization to help supplement Troop expenses above what is covered by monthly troop dues. These expenses include, but are not limited to, our annual donation to our charter partner, large equipment purchases, training scholarships, uniform scholarships, summer camp scholarships, annual registration of adult leaders, or to supplement costs for major troop activities.

Participation in the fundraisers is mandatory. The troop committee will take a majority vote, on a fair system of financial participation, so all Scout families can fairly participate in the fundraising events. Failure to participate in fundraising event may result in increasing of dues or a fee. Families will be notified of the requirements in advance. The goals of these events are to raise no less than \$3000.00 annually. This amount can be altered with a 2/3 vote of the troop committee.

Any public sales will be done on a buddy system, or with a parent / guardian.

All money collected through dues, fees, or fundraising shall become the property of Boy Scout Troop 2193, and no refunds will be made, unless otherwise decided by Key 3 and Troop Treasurer.

The Troop Treasurer shall maintain a current record of troop receipts, disbursements, and financial condition and make a written semi-annual report, June and December, of all available funds and Scouts past 90-days on dues to the troop committee.

Each member is expected to stay current with respect to annual dues and registration fees. Scouts must be current on all payments in order to attend a campout or activity. A three-month grace period will be allowed, after which the member may be suspended from troop activities. The Troop Committee will allow exceptions for hardship cases.

## **8. FUNDING (Continued)**

In such cases, the member needs to contact the Troop Committee as soon as possible within the grace period (otherwise suspension may occur). Scouts leaving the troop must submit a parent written letter or email to Troop Treasurer and Key 3 to stop fees from accumulating. The Key 3 and Troop treasurer will review Scout accounts, before giving back any refunds, available from the balance of his Scout account, when leaving the troop, or when aging out of the program.

## **9. TRAINING**

Proper Training is essential to the quality and safety of the scout troop. All registered adult leaders are required to complete Youth Protection Training (available online) prior to registering for a leadership position. Youth Protection Training requires renewal every two years. *All adult leaders are required to work towards completing the training sessions as required to meet the “Trained” level for their registered positions. All adult committee leaders are to complete The Troop Committee Challenge” and all Assistant Scoutmasters Scoutmaster Specific (available online) within 3 months of registration. IOLS for all Assistant Scoutmaster then must be completed within 6 months of registration; an extension can be made upon the request of the troop committee.* Leaders not completing the required training *as listed above* within the charter year will not be renewed for the adult leader position. Fees for junior leadership training may be borne by the troop by approval of the Troop Committee. *Fees for adult leader training are the responsibility of the adult leader unless approved in advance by committee vote.*

## **10. TROOP MEETINGS**

**Schedule “A” of this document sets forth meeting times of Troop and Troop Committee.**

An annual meeting schedule with meeting places will be published each year and distributed to member families. The troop website calendar will also be maintained. Regular and scheduled meetings may be canceled due to lack of adult leadership, weather, or due to a conflict with special events. If a meeting is moved or canceled, it is the meeting leader’s responsibility to make every possible effort to inform all troop members.

## **11. MEETING ATTENDANCE**

Regular meeting attendance is strongly encouraged for all members of the Troop. It is the Scout’s responsibility to notify the Scoutmaster, Assistant Scoutmasters, or Patrol Leaders in advance of an absence, as soon as possible. Because lack of attendance causes disruption of planned events, boys who miss three consecutive regular meetings

## 11. MEETING ATTENDANCE (continued)

without notification may be dropped from the troop until such time that the boy and his parent(s) meet with the Scoutmaster to discuss reinstatement. Boys who miss two regular meetings preceding a campout without notification will not be able to attend the next campout without a waiver from the Scoutmaster or Troop Committee. Troop 2193 encourages scouts to participate in family, church, school, and sports activities, and all attempts will be made to assist boys who have conflicts of interest in keeping up with troop activities. However, it should be noted that the troop is not responsible for a boys' lack of advancement caused by lack of attendance or insufficient participation in troop functions.

## 12. OTHER EQUIPMENT AND GEAR

**Schedule “B” of this document sets forth specific uniform and equipment requirements for Troop 2193.**

The troop owns a limited quantity of camping equipment such as backpacks, canteens, lanterns, and cooking apparatus. Troop gear is maintained and controlled by the Troop Equipment Chair. Items such as sleeping bags, canteens, and mess kits may be checked out by scouts for use on outings, on an availability basis. The troop library will be established to contain a wide assortment of merit badge books. In order to maintain control of the equipment, the equipment is to be used only for Troop-sponsored events unless otherwise approved by the Troop Committee. All troop camping equipment and gear will be inventoried quarterly by the Equipment Chair or his assigned representative and replacements made when needed under the direction of its annual budget.

Requirements can be reviewed at [www.scouting.org](http://www.scouting.org). Any registered troop member, or adult participant, not having the event appropriate physical examination form on file, with the troop, will not be allowed to participate in the troop activity.

#### **14. CONSENT FORMS**

The adult leaders of Troop 2193 will take appropriate measures to protect the physical safety and well being of the Boy Scouts who participate in troop activities. It is of the utmost importance that Boy Scouts report rule violations to leadership so that effective corrective action can be taken, and safety maintained. Failure to report unacceptable behavior will only serve to weaken the troop and to set a poor example for other scouts. The treasurer is not authorized to make reimbursements on receipts older than thirty days. Reimbursements older than thirty days may be considered, and must be approved by, the Troop Committee.
